

Why I don't monetize this website?

All work in this website is only for the glory of God. I have freely received from God and I freely give.

freely ye have received, freely give. - Matthew 10:8

I believe if this website is God's work, He will take care of the associated needs.

But seek ye first the kingdom of God, and his righteousness; and all these things shall be added unto you. - Matthew 6:33

So I have decided not to monetize this website.

This is not my work, but the Lord's work. So I trust the Lord will take care of His work.

I would be glad that this work terminate, if it's no longer the Lord's interest.

Lord Jesus, I pray -

Not my will, but thine, be done. - Luke 22:42
